NEW THIS YEAR

VIDEO—Every Exhibitor will get an email with a copy of their video during the event. So make sure you give us the correct email when entering to get your copy from Equine Promotion.

APP—Also this year we will be using the **Horse Show Tracker App** to give you all the information about the show. Just download the free APP to see results, draws, updates during the show. You can also access the APP from your computer, just go to horseshowtracker.com. We will be posting all results & draws on the APP instead of facebook making it quicker for you to find the information you are looking for. Results will also be listed on the SRCHA.org website. You will be able to check your entries as well. Just go to the class and see if your horse is listed.

PRE Works—In addition to our fresh cattle practice we will be offering pre works for the Friday futurity horses. The cost is \$65.00 and will be run according to the Open Futurity Herd Draw. It will be in the Watt warm up pen. Start time is 5:00 a.m.

NOTES

Draws for the Horse Show Classes will be noon the day before. There are no refunds after this time. Draw for the Futurity/Derby will be August 10th. There are no refunds after the draw, so make your changes prior to that.

FRESH CATTLE PRACTICE

Herd practices are first come first serve basis. We will give preference to Non Pro Riders for Thursday practice if entered by July 26th deadline. Herd works are **pre enter only**, if you do not use your herd practice you will still be charged for it unless you notify us by August 7th. To received a practice you must submit a form with your number of practices and what day you are requesting.
