

VENDOR INFORMATION FOR SRCHA- 2021

SRCHA would like to invite you to participate at our shows. We are excited to move into the 2021 Year coming off of a great year in 2020.

Your sponsorship/vendor space will pay for your booth space, face book posts during show time, announcements at the shows and a presence on our Website as preferred vendors of SRCHA. We can display your banners at our events in various areas at the show but does not include an arena banner.

Arena banners are reserved for corporate sponsors. The corporate sponsorship is \$2500.00 for 3 year commitment and includes priority booth space, arena banner and more (it is a cash only sponsorship – no product exchange). Corporate Sponsors will receive premium booth spots on a first come first serve basis. If you would like corporate sponsorship information just let us know and we can send it over. This is a good opportunity because it includes your booth space at all of our shows.
